

**TRACK NAME**

Guide to Greening a Business – Local First Arizona

SESSION NAME

Energy Efficient Lighting Solutions for Businesses

DATE + TIME + ROOM NUMBER

Friday September 5th – 2:00pm – 103A

SESSION DESCRIPTION

Session will talk about the components of an energy efficient lighting system, T8 vs. T5 lighting technology and the application for each, reflectors and delamping, LED exit signs, sensors, and the rebates available in Arizona. The primary goal of our presentation will be to help educate Arizona on the importance of energy efficient lighting systems.

PRESENTER(S)

Dennis Reitz – The Lighting Company

PRESENTER BIOGRAPHY (s)

Dennis Reitz has been in the industry for over 10 years, and has owned his own company specializing in energy efficiency. He has been selected to write articles in BOMA magazine, as well give presentations to top energy consumers throughout California to assist with the energy crisis. He is well versed in energy efficient lighting solutions, and believes in helping educate others on such systems.
