

**TRACK NAME**

Sustainability Research, Education, and Community Engagement - GIOS

SESSION NAME

Greening Affordable Housing

DATE + TIME + ROOM NUMBER

Saturday September 6th – 4:00pm – 106A

SESSION DESCRIPTION

The goal of this session is to present the means and methods of creating green affordable housing and sustainable communities

This session will present work by the Stardust Center that seeks to provide exemplars in affordable, sustainable housing and communities, including green demonstration homes and large scale communities designed to respond to the climate and culture of the region.

PRESENTER(S)

Daniel Glenn – Design Director for ASU Stardust Center

PRESENTER BIOGRAPHY (s)

Daniel J. Glenn is the Design Director of the ASU Stardust Center, a design, research and educational center focusing on affordable, sustainable housing and communities. He is a licensed architect with 20 years of experience in housing, sustainability, and urban design.
