

**TRACK NAME**

Empowering the Youth of Tomorrow – Maricopa Community Colleges

**SESSION NAME**

Greening of an Institution

**DATE + TIME + ROOM NUMBER**

Friday September 5<sup>th</sup> – 2:00 PM – 106A

**SESSION DESCRIPTION**

Come and listen to a presentation on 10 solutions for a greener campus/institution. What are some of the hand-on easy things that you can do to change your work environment and become green? This session is intended for anyone looking for new tips or ideas for greening their workplace, for recycling, campus leaders, and student activists.

**PRESENTER BIOGRAPHY**

Tammi Taylor was hired as the Campus Recycling Coordinator at Mesa Community College on a grant provided by Arizona Department of Environmental Quality (ADEQ) to help expand MCCs Recycling program. Her background is in Business Administration but her passion lies in making a positive contribution to the Earth and its inhabitants. She will be attending ASU in Fall 2008 as part of the first group of Undergraduates to pursue a Bachelor's Degree in Sustainability (School of Sustainability). She is an active member of the Green Group and Sustainability Committee at MCC and the SANS (Students Act Now for Sustainability) at ASU.

Thomas Williams, Facilities, Chair of the Sustainability Committee at SCC and the Advisor for the SCC's "Green" Student Club.
